

# November

## FAMILY ENGAGEMENT MONTH

Family Engagement Month is a time to celebrate and acknowledge the important role of families in the education and well-being of their children throughout the year. A time to reflect upon the shared responsibilities of families, educators, and community stakeholders to work together on behalf of children. A community, believing that together we are better.

Please click on the links below to access the Family Engagement Month - Calendar of Family Activities that you can do with your child throughout the month
