2021-2022 LAUNCH Leadership Development Program

LAUNCH is a program for emerging leaders who are interested in developing their leadership skills and exploring opportunities to become school leaders and central office administrators in OPS. The program aims to prepare high-potential candidates for future leadership roles in schools and central office. Participants will develop leadership skills through:

- Monthly meetings facilitated by high-performing school principals and district leaders
- Case studies and scenarios designed to develop participants' proficiency on the OPS Principal Competencies
- Hands-on projects with a targeted focus on personal leadership, instructional leadership, and service orientation
- Application of current research and sharing of promising practices
- Exposure to leaders and opportunities across the district, both in schools and the district office
- Ongoing reflection and assessment of individual strengths and growth areas
