

PO Box 128 | 504 Highway 63 South | Freeburg, MO 65035 | 800-347-0438

January 1, 2020

To Whom It May Concern,

This correspondence is to certify that the following window and door series manufactured by Quaker Window Products meet ENERGY STAR® certification* in some or all climate zones in the United States. Understand that some products may not meet ENERGY STAR® criteria in all ENERGY STAR® climate zones. Go to the following website address to verify that your product meets ENERGY STAR® eligibility for your county and state.

https://www.energystar.gov/index.cfm?fuseaction=windows_doors.search_climate

As well, if the windows/doors meet ENERGY STAR® qualifications, AND they are installed in an eligible application, the products listed below will qualify for the reinstated federal tax credits now being offered during the calendar year of 2020**.

the use of grids (a.k.a. grilles or muntins) may alter U-Values and SHGC values slightly.

If necessary, you can verify Quaker's status as an ENERGY STAR® partner by going to this website address:

http://www.energystar.gov/index.cfm?fuseaction=estar_partner_list.showPartnerSearch

You'll find us by entering Quaker Window Co. in the search box.

Should you require specific test data, please send your request to:

Quaker Window Products Company
Attn: Technical Department
PO Box 128
Freeburg, MO 65035

Be sure to specify which product(s) test information is needed.

Sincerely,

Jimmy Maasen
Marketing/Sales
Quaker Window Products Co., Inc.

* All products shown must have optional glazing packages added to achieve ENERGY STAR® status. The exact glazing package(s) needed may vary from product to product. Contact your local Quaker dealer for exact make-up necessary to achieve ENERGY STAR® status in your area. Some products may not achieve ENERGY STAR® status in all climate zones. Go to www.energystar.gov for full ENERGY STAR® criteria.

** - Go to www.energystar.gov/taxcredits for full details of the current tax credit program.
