With this summer being different then past years, we have come up with a new program to get players the ice they want and need to prepare for the upcoming season. To play at a high level, you need to practice and train at a high level. This on-ice program will meet the expectations of the committed hockey player. From fundamentals to complex skills, everything will be done at a fast pace. This training will be done in small controlled groups on the ice.

All on-ice sessions will be coached by our Hockey Director, Eddie Chlanda along with several of the Hockey School Staff.
