

EDUCATIONAL PARTNERSHIPS

2022-23 Annual Report

HOWARD COUNTY PUBLIC SCHOOL SYSTEM

A Message from the Superintendent

We greatly value the tremendous contributions of the more than 1,000 community partners who support our students, staff, and families.

Value, Connect, Achieve, and Empower—the four overarching commitments outlined in our *Strategic Call to Action* guide our work each and every day. You reinforce these commitments by joining with our teachers and staff in inspiring all students to achieve.

We are strongest when we come together in common purpose. Together, we can provide what our students need to succeed and become life ready. Your investment in education secures the future for our children and for our community.

I am grateful for each of you and our collaborative efforts to support our students and staff.

Sincerely,

Michael J. Martirano, Ed.D.

EDUCATIONAL PARTNERSHIPS

2022–23 Annual Report

Our *Strategic Call to Action, Learning and Leading with Equity* serves as the foundation for all Howard County Public School System (HCPSS) decisions and places students at the heart of everything we do. Four overarching commitments guide our efforts:

VALUE
CONNECT
ACHIEVE
EMPOWER

More than 1,000 community partners work with us to deliver on these overarching commitments through a focus on student-centered practices, inclusive relationships, and responsive and efficient operations. The connections we have with our community partners empower our children to achieve success.

We thank each and every partner listed in this report for your friendship and are excited to share highlights of some of the partnership activities that took place throughout the year.

VALUE

Every HCPSS stakeholder feels empowered and rewarded in their roles and takes pride in cultivating the learning community.

Howard County's longstanding, unwavering commitment to education is the catalyst for a thriving community. Together we enrich classroom lessons and provide resources for students facing poverty, hunger, language barriers and other obstacles to being ready to learn. Your contributions of time, talent and resources increase the value of a Howard County education.

ACHIEVE

An individualized focus supports every person
in reaching milestones for success.

HCPSS has a history of providing students with a challenging academic program in which learning is nurtured, achieved and celebrated. With your assistance, we create an environment of discovery, critical thinking, creativity and kindness for students to pursue their academic goals. Partners broaden student experiences and open doors for them to discover hidden talents and new interests. We appreciate all our partners who work side by side with us to help each and every student flourish.

More than 120 organizations partner with one or more high schools to enhance programs for students and staff.

GIFTED AND TALENTED Program

The Gifted and Talented Program provides accelerated and enriched services for advanced-level learners, as well as talent development opportunities. Gifted and Talented resource teachers at the elementary and middle school level enhance the standard curriculum and provide specialized services to develop students' unique talents and aptitudes. At the high school level, intern/mentor opportunities provide a formal, site-based, academic relationship between a high school student and a professional. In this structured relationship, mentors guide students in the pursuit of knowledge and scholarly research. Program partners for the 2022–23 school year included:

CAREER AND TECHNICAL Education

Career and Technical Education offers a variety of programs, either school-based or at the centralized Applications and Research Laboratory, that prepare students to be successful in a career field of their choosing. CTE programs integrate the strengths of an academic education with the practical benefits of career and technical education. With the guidance of advisors and industry mentors, students have the unique opportunity to explore a career interest in-depth during high school. CTE partners for the 2022–23 school year included:
