RABBIT SHOW RULES & INFORMATION:

BREEDING RABBITS:

- Breeding Rabbits are judged and placed based on a universally accepted Standard of Perfection.
- This will be a single All Breed Youth Show.
- This will not be an American Rabbit Breeders Association (ARBA) nor a Texas Rabbit Breeders Association (TRBA) sanctioned show, but all ARBA rules will pertain to judging rabbits (please note, this is subject to change, check back soon).
- Rabbit will be entered into Classes by: Breed, Variety (Color), Age and Sex as defined in the Standard of Perfection.
 - Rabbits are to be entered by the rabbit's age and weight not the exhibitor's age (junior, intermediate, or senior).
 - Most breeds allow for Junior and Intermediate Age rabbits which are over the weight limit for the age division to be bump to the older class.
- We encourage each young person to accept the responsibility of his/her rabbit project by placing their rabbits on and off the judging table. No adult will be allowed to place rabbits on the table for youth.
 - With the many activities of the day youth are reminded that it is important to remember that showing your rabbit when it is called to the table is your main priority.
 - Please try to participate in as many activities as you wish, but always be ready when your rabbits are called to the table.
- Rabbits are shown in specific classes designated in the ARBA Standards of Perfection by: Breed; Variety; Age; and Sex. Pedigrees and Registration is not required.
 - **Breed:** There are fifty (50) recognized breeds with unique characteristics. Rabbits need not be pure bred to be shown, but they must meet the characteristics of the breed entered. (For the Rabbit Extravaganza, we offer a pet class that allows un-recognized breeds and colors to be shown.)
 - **Showroom Variety:** (Also known as color) Each Breed has a standard that breaks classes down by colors. Some breeds only have one (1) color such as the Californian - these one-color rabbits generally show in a class called Standard. The Lop Breeds come in over forty (40) varieties but are shown in two (2) – Solids (being one solid color) and Broken Pattern (a mixture of white and another color). The New Zealands show in five (5) color classes – Black, Blue, Broken, Red & White. Mini Rex will shown in one of twenty

(20) classes - Black, Blue, Blue Eyed White, Broken Group, Castor, Chinchilla, Chocolate, Himalayan, Lilac, Lynx, Opal, Otter, Red, Sable, Sable Point, Seal, Silver Marten, Smoke Pearl, Tortoise, & White. The Standards of Perfection is the official guide, but ARBA publishes this guide for studying for youth contests to help cover the Showroom Varieties.

- **Age:** When considering age, both the actual age and the weight of the rabbit must be taken into consideration. ARBA sets to standards. For smaller rabbit varieties, rabbits are classified as 4-class and larger breeds as 6-Class. The link above can be used as a reference. 6-Class Rabbits are rabbits is a minimum ideal senior weight of nine (9) pounds or more. These rabbits are broken into Junior, Intermediate, and Senior ages along with sex (buck & doe) to create size (6) Show classes per variety. The smaller rabbits fall into only Junior and Senior classes along with sex (buck & doe) to create four (4) Show classes per variety. A rabbit younger than 180 days (6 months) may be shown as a Junior. At 181 days, 4-class Breeds are Seniors and 6-class Breeds are Intermediates. 6-class Breeds are Seniors at 240 days of age.
- **Weight:** It is also important to know the weight of your rabbits, as it will factor into age classes. The Standards of Perfection set minimum and maximum weight ranges for each age class. Most breeds allow you to bump rabbits to older classes if they weight too much for their age category. Weight ranges for some breeds vary for bucks and does. For example, it is not uncommon for a 5-month-old Californian to weigh over both the Junior and Intermediates weight maximum and have to be shown as a Senior even though it is a Junior by age. Consult the Standards of Perfection for weight ranges by Breed from the Standards of Perfection.
- **Sex:** Rabbits are shown as either Bucks (males) or Does (females). Neutered or spayed are not allowed to be shown (except for special pet classes).
- **Tattoo:** All rabbits must have a permanently and legibly tattoo in the rabbit's left ear. The tattoo is to only contain numerals 0-9 and/or letters A-Z. The tattoo is to contain no language of a profane nature. An exhibitor may not enter more than one animal in the same class with the same tattoo. Non-permanent "tattoos" such as sharpie is not allowed.
- ARBA Show rules can be found at: [Official ARBA Show Rules - ARBA](#)
