GOLD SPONSOR:

Malvern, PA

<https://www.internu.com/>

internU was created as a result of discussions with clients concluding the market would welcome an alternative solution to rival the offshore, outsourcing model in price and quality. This innovative business model of corporate and collegiate convergence was a win for everyone: quality and cost-effective solutions for clients, practical opportunities for students and young professionals, and a way to enable talent to stay local promoting economic growth within the community.
