

WHERE WE STAND

NEW YORK'S 2023-2024 EXECUTIVE BUDGET PROPOSAL

What We Support

- ▶ Stimulate affordable housing development through regulatory relief, expedited approvals, and infrastructure investment
- ▶ Additional funding for the Emergency Rental Assistance Program
- ▶ SUNY system investments
- ▶ Additional support for hospitals, nursing homes, mental hygiene providers, and assisted living facilities
- ▶ Improved access to childcare
- ▶ Investments in workforce development
- ▶ Refugee resettlement funding

What We Oppose

- ▶ Banning natural gas
- ▶ Cap and Invest
- ▶ Extended Producer Responsibility recycling reforms
- ▶ Perpetual minimum wage increases

Missed Opportunities

- ▶ No investment toward the state-created Unemployment Insurance crisis
- ▶ Not addressing the benefits cliff
- ▶ No repeal of Brownfield Cleanup Program's prohibitive \$50,000 application fee
- ▶ Failing to maximize federal infrastructure investment through policy change and state investment
- ▶ No increase in TAP awards or eligibility
