

Liberty Elementary School District #25 seeks a superintendent who:

- ...has executive/administrative experience with an educational institution or business.
- ...is an effective communicator, creating strong school and community relations.
- ...is a trusted leader who values ethics and integrity by practicing moral authority.
- ...knows stakeholders interests through continued listening and learning.
- ...makes strategic, high-quality decisions with big-picture lens, while managing district resources.
- ...builds strong diverse teams and promotes teamwork for success of all.
- ...remains confident in making firm decisions that may not be popular, but challenges individuals.
- ...understands and values economic, ethnic and racial diversity.
- ...practices servant leadership and is collaborative, transparent and knowledgeable
- ...is willing to delegate; a non-micromanager; shares and recognizes success.
- ...has experience/knowledge with bond issues and facility planning.
- ...understands and values a positive working relationship between the governing board and the superintendent.
