

Get your MPox Vaccine at Legacy Health!

Legacy Community Clinic is providing the MPox Vaccine to community members meeting specific criteria. You do not need to be a patient to schedule. Appointments are vaccine only and we will schedule any following doses at your first visit.

Clinic Hours:

Monday through Wednesday 9:00am to 4:00pm (as supplies last)

Location:

The Community Clinic, Legacy Good Samaritan
1130 NW 22nd Ave, Suite 630
Portland OR, 97210

How to schedule:

- Phone: 503-413-5915

What else does the Community Clinic offer?

Legacy offers a robust selection of gender affirming services; our program is *by* trans and gender diverse people and *for* all trans and gender-diverse people:

- Gynecology
- Sexual health
- Social worker support and affirmation planning
- Naturopathy
- Multiple top, bottom, and contouring surgeries
- Care coordination and support services
- Provider to provider support in transgender related health concerns
- Legacy partners with affiliated surgeons to provide other gender affirming surgical procedures
