(1) Due to the public health emergency, model participants, referred to as Direct Contracting Entities (DCEs), were given the choice of starting participation in the Model Performance Period in either Performance Year (PY) 2021 (which began on April 1, 2021) or PY2022 (which began on January 1, 2022). This column reflects the Performance Year in which each DCE began participation in the Model. Three DCEs began participation in PY2021 and have elected not to continue into PY2022: CareMore / Aspire, Piedmont Health Plus, and Axceleran DCE1 LLC.

(2) PCC = Primary Care Capitation, APO = Advanced Payment Option, TCC = Total Care Capitation

(3) BEs = Benefit Enhancements selected; BEIs = Beneficiary Engagement Incentives selected; numbers 1-8 correspond to:

1	3-Day Skilled Nursing Facility (SNF) Rule Waiver BE
2	Home Health Homebound Waiver BE
3	Post Discharge Home Visits BE
4	Care Management Home Visits BE
5	Telehealth BE
6	Concurrent Care for Beneficiaries that Elect Medicare Hospice Benefit BE
7	Part B Cost Sharing Support BEI
8	Chronic Disease Management Reward BEI

In addition to the BEs and BEIs listed, all DCEs may also offer certain in-kind incentives to encourage beneficiaries to become actively involved in their care such as vouchers for access to meal programs and dental care services.

(4) States with at least 1 county listed on the DCE's Core Service Area; this is self-reported by the DCE as counties in which their DC Participant Providers have physical office locations; counties / states may be listed where the DCE does not actually have aligned beneficiaries.
