

LEGAL SERVICES of NORTHERN CALIFORNIA

Recruitment 2023/2024

Legal Services of Northern California (LSNC) is the legal aid provider for 23 counties in Northern California. Operating from eight field offices, LSNC employs more than 125 staff members, about half of whom are attorneys. Advocating for individuals and families in the areas of housing, public benefits, employment, and health care since 1956, LSNC advocates have been honored at the local, state, and national level for their significant contributions to public interest law. LSNC's mission is to "provide quality legal services to empower the poor and to identify and defeat the causes and effects of poverty within their community, by efficiently utilizing all available resources."

LSNC attorneys are active in their local legal communities, on state bar committees and in state and national advocate organizations, sharing innovative advocacy tools and providing leadership in the California legal aid community. Visit www.lsn.net/jobs for staff videos and more information.

In the fall, LSNC begins its recruitment process for third-year law students preparing to take the California Bar Examination the following summer and legal graduates participating in a judicial clerkship or public interest fellowship program. Depending upon staffing needs, LSNC may hire for any of its field offices or special projects, including its Auburn, Chico, Eureka, Redding, Sacramento, Vallejo, Woodland and Ukiah offices, through this process.

LSNC accepts applications beginning in August and continuing through mid-February, conducting initial interviews at various public interest career events and in-house between September and mid-February. LSNC extends offers on a rolling basis starting in October through the summer as positions open.

Applicants should submit via U.S. Mail, email (awilliams@lsnc.net), or through our online application system on www.lsn.net/jobs a cover letter, résumé, writing sample, transcript and three references by February 16, 2024 to:
