About the Event

There are so many ways for alumni, students, family, and friends to connect to the nest during **Homecoming and Family Weekend**. For the first time in two years, local artists and alumni are welcomed back in person to the Tyler Art Market and Crafts and Drafts. As always don't forget to stop by our main attraction at Homecoming Game Tailgate Village and Community Festival as the Temple Owls take on the Rutgers Scarlet Knights.

This year will also be bigger and better than ever with events surrounding **President Wingard's Inauguration as Temple's 12th president**. All are invited to a celebration of events commemorating our vibrant community and Temple's bright future as a world-class research institution, global center of academic excellence and Philadelphia's public university.
