DePaul University

## **IN-PERSON EVENT**

Holtzschneider Performance Center

SATURDAY, MAY 7, 2022

9AM - 7PM

## Welcome

**Welcome to DePaul Community Music Division's 26th annual Performathon.** Thank you for joining us on this very special day. After two years of virtual events, we are thrilled to be back in person to experience the richness and diversity of our community school.

Every year in May, we come together to **to raise funds for need-based scholarships, community partnerships, and enrichment programs** through a marathon recital of student performances. **This year we are celebrating three decades of music making and have set a goal of raising \$30,000 for this important event.**

Founded in 1988, we are an established teaching center in the Chicagoland area serving over 600 students of all ages and skill levels. Since 1997, we have awarded more than 700 need-based scholarships and provided tuition-free instruction yearly to students in under-resourced schools through our CPS Partnership Program.

**Today, you can enjoy over 200 performances from students of all ages** in piano, violin, viola, cello, bass, flute, guitar, percussion, and voice. Performathon represents the high level of achievement of our community music students, the excellent instruction offered by our gifted faculty, and the caring support of our parents and mentors.

We believe that all children should be able to study music, regardless of the circumstance. **We need your support to continue offering opportunities to those students who would not otherwise be able to afford quality music instruction.** You can help us reach our goal by donating to Performathon 2022.

## **From the Dean** **DePaul University School of Music**

Welcome to the 26th annual Performathon! Throughout this day-long marathon event, several hundred musicians will showcase their talents while supporting the Fund for the Community Music Division. I am proud of the incredible confidence demonstrated by these students and grateful for their participation in such a worthwhile cause.

Each week, over 600 young people and adults come to DePaul's Community Music Division for the highest quality music instruction with a wide range of programming for all ages, ability levels, and interests. The faculty and staff are extraordinarily capable and dedicated to their students, demonstrating a strong commitment to musical excellence in an encouraging environment. The Community Music faculty has earned my thanks for their capacity to encourage practice and perseverance while providing meaningful and compassionate music education for the entire Chicagoland community.

I'm thrilled to see how the DePaul University School of Music's Community Music Division has flourished, and I look forward to its continued success. On behalf of the entire School of Music, I offer my deepest gratitude to the musicians who have made Performathon 2022 possible, and to you for your support.

# About the Community Music Division

The Community Music Division (CMD) of DePaul University's School of Music offers high quality music instruction to students of all ages, skill levels, and backgrounds. Founded in 1988, CMD is an established community program serving more than 600 students each year with a professional faculty of 70 artist-educators. The curriculum includes individual lessons, small group classes, performance ensembles, and student recitals.

**The mission of the CMD is twofold: to provide the opportunity for serious musical study and growth in a nurturing environment and to foster an atmosphere that encourages a lifelong enjoyment of music.**

**We are committed to an inclusive learning environment that respects the diversity and perspectives of all students.** Music study develops persistence, self-confidence, artistic sensitivity, and respect for others. Our graduates attend colleges around the country majoring in disciplines as varied as music, computer science, biology, economics, engineering, and journalism.

The CMD is a member of the National Guild for Community Arts Education, the Chicago Consortium of Community Music Schools, the Suzuki Association of the Americas, and the New Horizons International Music Association.

**The DePaul Community Music Division collaborates with six Chicago Public Schools to provide tuition-free instruction to over 200 students in under-resourced programs.**

# Dalcroze Eurhythmics is a powerful and exciting way to experience music through purposeful body movement.

Students develop a rhythmic vocabulary of motions by walking, running, skipping, jumping, and using imaginative gestures that match the music they are singing or hearing. Engaging class activities include active listening, singing, and improvisation. Founded on the work of Swiss musician and educator Emile Jaques Dalcroze, the Dalcroze approach is a discovery-based and process-oriented approach to music learning.

Join our in-person classes starting Fall 2022 taught by certified Dalcroze teacher and Dalcroze License candidate, Dr. Eunjin Lee. Classes meet on Saturday mornings.

It's been 15 years of music at CMD. We will cherish our memories of your evolution as a musician and share your gratitude for the devotion of the extraordinary teachers - Katie Hamada, Susanne Baker, Yumy Kim, Ben McMunn and Jeremiah Benham - who cultivated and inspired it. Especially, Mrs. REGINA SYRKIN, whose talent and passion for piano was your inspiration and will live forever in your playing and love for music. We hope you take the music with you wherever you go.
