

Name: Gillian Maguire

Company: CBRE

Job Title: Microsoft Supported Employment Program Manager

Short Bio

Gillian is the program manager of Microsoft RE&F's Supported Employment Program, whose mission is to partner with Microsoft vendors and local job coaching agencies to create real job opportunities for persons with intellectual/developmental disabilities. Gillian joined CBRE in 2017, bringing experience in management at a statewide disability rights organization. In previous roles she worked closely with people with disabilities and disability community organization leaders, as well as legal and professional staff. She created and managed an advocacy team responsible for provision of high-quality services to people with disabilities in Washington.
