

# Homebound COVID-19 Vaccine Updates

## **Below are Homebound COVID-19 Vaccination Updates by County:**

### **Bucks:**

**Homebound patients:** Taking names for homebound list. Email [vacfacts@buckscounty.org](mailto:vacfacts@buckscounty.org) with "Homebound" in the Subject line. Include the following: Name, DOB, telephone number, home address and email (if applicable).

Bucks County Transport will provide round trip transportation to Bucks County residents for vaccination appointments in Bucks County. Rides are available from Monday – Friday from 6 AM to 6 PM. Call Bucks County Transport at 888-795-0740 (M-F 8 AM to 4 PM) at least two days in advance of your vaccination appointment. Riders aged 65 and over will be required to register for Bucks County Transport's Shared Ride Program to receive a free ride. Applications can be found on Bucks County Transport's Website [www.bctransport.org](http://www.bctransport.org), by calling 888-795-0740, or through this BCT application (pdf). Applications must be received by Bucks County Transport within 30 days of your reservation.

In accordance with updated state and federal vaccination eligibility mandates, Bucks County: Has removed its wait list and those aged 16+ to register and schedule an appointment now at <https://www.trackmyvaccine.com/register>

**Doylestown Hospital** is currently vaccinating patients of practices associated with Doylestown Health. The practices on the hospital's medical staff are given a specific number of patients they can schedule per week based on the number of providers and size and relevance of their practice. The vaccinations are taking place at Doylestown Hospital and Doylestown Health Urgent Care. The practices are reaching out to their patients to schedule them through our enterprise-wide electronic medical record. We are following the state's guidelines regarding eligibility.

**Doylestown Health Urgent Care:** Use this link to sign up for the first dose of the COVID 19 vaccine: <https://www.eventbrite.com/e/march-11-doylestown-health-urgent-care-community-covid-vaccine-tickets-145291054455>

## Delaware:

**Homebound patients:** While Delaware County continues to serve the community at the public vaccine locations, plans are moving forward to begin the work of getting vaccines to county residents who are unable to leave their homes. If you are a Delaware County resident who is homebound or know of a county resident who will need to receive their vaccine in their home, please contact the Delaware County COVID-19 Call Center at 484- 276-2100, or by email at [Covid19resources@co.delaware.pa.us](mailto:Covid19resources@co.delaware.pa.us) to be added to the list of residents who will be served by this program. Information needed includes the name of the person to be served, a phone number, zip code, and an email if applicable. Work to identify these individuals have already begun with our community partners and county agencies, and more information will be available soon.

**Delaware County:** Multiple sites now available. Review options for all vaccines and sign-up at <https://delcopa.gov/covid/vaccination.html>

**DCMH Crozer:** Please do not complete multiple forms and do not email to check the status of your request. Completing this form DOES NOT guarantee that you will receive the vaccine from Crozer Health.
