

Dear Friend,

We are delighted to announce our upcoming *Garden Party*, our annual spring benefit. We extend a warm invitation for you to join us as a sponsor for this meaningful night, enabling us to continue providing essential services for grieving children and teens. Your invaluable sponsorship will play a vital role in advancing our mission, offering hope and healing within a supportive community for children, teens, families, and individuals.

The event is June 12, 2024, from 6:30pm to 8:30pm. Attendees will enjoy a magical evening under a white tent next to our memory garden, featuring both silent and live auctions, along with a cocktail reception.

Jeff's Place provides free bereavement support groups and services for children, teens, adults, and individuals. Our support groups are free of charge and open to all families regardless of race, religion, culture or socioeconomic status. We rely heavily on generous donations and special events to support our vision that "no one grieves alone."

Your generous sponsorship will ensure that we can:

- Continue to provide free support groups for grieving children and families
- Continue to provide pro bono individual counseling
- Be present for schools and community organizations during times of crisis
- Provide comprehensive educational trainings and consultations to schools and community organizations on issues related to childhood bereavement

Grief touches everyone, and your support ensures that we remain a haven of healing and hope for those in need. We extend our sincere gratitude for your consideration and willingness to contribute.

Please feel free to reach out with any questions. Thank you for standing alongside us in our mission.

Warm regards,
