

May 1–3

The Wisconsin Center
Milwaukee, Wisconsin

The ACTE National Work-Based Learning Conference brings together career and technical educators, administrators, career and school counselors, and state workforce professionals who have a focus on work-based learning. With programming for both secondary and postsecondary audiences, this will be a place where you can effectively connect with an interested and appreciative group of CTE professionals from across the U.S. As an official conference exhibitor, you'll have exclusive access to over 800 of career and technical education's top work-based learning professionals!
