Welcome to the 2021 Fall Guide.

Howard County Recreation & Parks is pleased to once again offer our full range of award-winning programs this fall. In the pages of this guide, Howard County residents and visitors of all ages will find returning favorites along with brand new activities, special events, and more.

With the leaves beginning to turn, we bid farewell to warm weather and wave hello to the crisp autumn air. This fall, join us for family-friendly fun as we celebrate the Robinson Nature Center's tenth anniversary (page 10), make a splash with Roger Carter Community Center's popular Floating Pumpkin Patch (page 11) and dress up in our favorite costumes for Truck or Treat at the Gary J. Arthur Community Center (page 12). And don't forget to participate in our Walktober fitness challenge or our Great Outdoors Initiative (page 11), two free self-guided activities that challenge you to have fun while staying active throughout the month of October.

As always, we continue to offer adult and youth sports leagues and classes, in-person or online specialized fitness classes, and personal trainers at our community centers (page 64). Sign up early, many of these programs fill quickly!

With so many options to choose from, you and your family are sure to find fun and enriching programs to enjoy in Howard County this fall.

On The Cover: Howard County Recreation & Parks opened Laura's Place playground at Blandair Regional Park in Columbia.

Last May, Phase Three of Blandair Park opened to the public - including the long-awaited Laura's Place playground. Named in honor of former Bureau Chief of Recreation Laura Wetherald, this state-of-the-art "play-for-all" playground encourages children of all ability levels to play together while accommodating cognitive, communicative, social/emotional and sensory disabilities.

Visitors can enjoy six unique areas surrounded by full fencing along with two non-verbal communication boards donated by the Howard County Autism Society, accessibility items compliant with the Americans with Disabilities Act and other amenities.

The new section of the park also includes synthetic bocce and croquet courts, horseshoe pits, a picnic pavilion with inlaid checkerboards, ping-pong tables, restrooms, storage for sports equipment, a pedestrian pathway, 142 additional parking spaces, bio-retention areas, and a Park Maintenance Center with offices.

CHILD CARE

Howard County Recreation & Parks offers Recreational Licensed Child Care (RLC) programs for preschool (ELC) through middle school students. Our goal is to provide a safe and structured environment for children to have fun while participating in meaningful group recreational activities.

Before a child can participate, parents must complete all licensing and required paperwork, including a health inventory, which requires a physical. Children must attend the same school as the child care program they are registered for. All programs must meet and maintain minimum enrollment requirements to run. Fees are subject to change.

Special accommodations or interpretive services can be provided at no additional cost but are not guaranteed; a request must be made at the time of registration. Because of the presence of children with severe allergic reactions, nuts and nut products are not served or permitted at any RLC programs.

If space is available, a \$50 non-refundable registration fee is required to enroll. If a program has already filled, you may place your child's name on the waiting list at no cost.

All RLC programs have a behavioral policy with standards of conduct enforced through the use of discipline, up to and including suspension and expulsion from the program. The primary concern of the Department must be the safety and well-being of all participants, even though it may cause inconvenience to parents in a particular case. The Department makes every effort to assist children and their parents in modifying a child's behavior before their actions become a serious enough threat to require suspension. See the Parent Manual for a complete policy statement.

For a list of who to contact and additional program information, visit www.howardcountymd.gov/childcare. For availability, call 410-313-7275.

Early Learning Center

Early Learning Centers provide a safe, nurturing, active and creative learning environment for each child. Throughout the program, children enjoy building the skills needed for kindergarten (social and emotional development, reading and math readiness and fine and gross motor skills). They also participate in hands-on activities, including arts and crafts, science, nature, music, drama, and cooking. There are instructional and self-directed activities throughout the day. All programs are successful participants in the Maryland EXCELS program. Staff is trained in continuing early childhood education classes yearly. Parents provide snack/lunch. Children must be toilet-trained and meet the age requirement by 9/1. If class minimums are not met, a combined class is offered. For general information, call our RLC office at 410-313-3706.

Elementary School Before & After Care

Before & After Care for Elementary School 2021-2022 Academic Year

This licensed program provides varied recreational activities. The Before Care offers low-key programming while the After Care incorporates a structured energetic format. Activities include crafts, games, sports, special events and intramural competitions throughout the school year. To promote good health and wellness, we implement heart-healthy activities. Active play and healthy eating habits are highlighted throughout the program to encourage and educate children about making positive choices. All programs are licensed through the Maryland State Department of Education's Office of Child Care and are participants in the Maryland EXCELS programs. Info: RLC office, 410-313-3706.

VOLUNTEER OPPORTUNITIES

The mission of the volunteer program is to enhance the programs and services of the Howard County Recreation & Parks with additional resources while providing an opportunity for county residents to contribute to their community. Volunteer opportunities are available in many areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation, and special events. To volunteer with Howard County Recreation & Parks, you must meet the following requirements:

- Be at least 18 years old or 13-17 years old with parental consent;
- Complete the Volunteer Application;
- Be a good role model with a positive attitude; and
- If 18 years or over, complete a Background Release Form (if required for the position).

To sign up for a volunteer opportunity or to find out what volunteer events are coming, visit www.HoCoVolunteer.org.

The Early Years Matter

Help your child get ready for kindergarten. Follow this progression of classes that help build your child's social and emotional skills. (You can start at any stage of this school-readiness program.) More and more children in Maryland are school-ready when they enter kindergarten. Make sure your child is one of them! Staff members do not change diapers.

Awesome Athletes, Amazing Artists (Parent/Child)

If you enjoy being active and creative, this is the class for you! Explore sports, games, arts and crafts while meeting new friends! Spend the first half of class throwing, kicking and shooting with a variety of interactive gym games. Continue the fun in the second half of class with painting, pasting and creating an array of art projects! Parents are required to attend.

Chess Wizards Before & After School

Want to learn chess in a fun, engaging and interactive way? Curriculum is designed by teachers and comedians to impart many benefits – critical thinking, sportsmanship and learning from our mistakes in a challenging and exciting way. In addition to lessons and traditional gameplay, variations of chess games are incorporated to build teamwork and improve logic, planning, discipline, judgment and self-control. All skill levels welcome and are grouped accordingly for lessons and game-play.

NEW! Taste the Rainbow!

Cooking After School with Club SciKidz

This session is all about color! Each recipe not only has a pop of color, but emphasizes learning something new. Learn about a famous artist and recreate his artwork on toast! Color is the #1 ingredient as we make Goopy Monster Eye cookies! Even breakfast won't be left out as we try our hand at colorful Pancake Art and learn the chemistry behind pancakes! As always, enjoy learning basic kitchen safety and skills along the way. Each student receives a recipe book at the end of class.

Beauty and the Beast

Drama After School by CCTA

Join us as we journey with Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved before the last petal falls on his enchanted rose, the curse will end! Join us as we tell this classic tale of *Beauty and the Beast* featuring some of the most beloved Disney characters! Students learn the fundamentals of musical theater including choreography, character development and stage direction. Program meets for 11 after-school classes and culminates with a 7pm evening performance for family and friends on the final day of the class, with a full stage production complete with theatrical sets, lighting, costumes and sound! No class on half days or when school is not in session.

Winter Break – Cooking with Club SciKidz

Monday, December 27 – Thursday, December 30

NEW! Who Wants to be a Sous Chef? – It's always nice having an extra pair of hands helping in the kitchen, right? This winter break class teaches kids all the skills they need to be an amazing helper in the kitchen! Students become the chef as they learn how to make a variety of dishes along with the importance of planning and creating a balanced meal. Learn basics such as kitchen safety, how to preheat an oven, the correct (and safe) way to use different kitchen tools and equipment, how to correctly measure different ingredients, and many other skills. The learning doesn't end when the program is over – students take home a recipe book and a few of their own kitchen tools so they can continue their role of sous-chef at home!

The Wonderful World of WeDo with Tech Scientific

LEGO® bricks cultivate creativity and encourage kids to become engineers. In this class, we take it a step further as students bring LEGO®s to life! Using the LEGO® WeDo software, students build things such as animals and modes of transportation, and use basic coding to get them to move. They also learn about and use different sensors to make their "programs" more complex. As students enjoy building, learn the principles of basic programming. Unleash the Power! With Club SciKidz

Our world is filled with lots of different sources of energy. Instead of just learning about them, students explore and investigate several different kinds of energy as they build a car! Students make several different "models" of their car, each using a different kind of energy to power it. With each model they build, they learn the basics about that kind of energy and discover the pros and cons of each. Which will make the car go the fastest? Which energy is the most reliable? Don't miss out on the opportunity to see if you can build a car that unleashes the most power! Info: William Banks, 410-313-4721 or wbanks@howardcountymd.gov.

Citizen Science

Finding Eagles & Owls: How to Contribute to the Maryland/DC Breeding Bird Atlas

The Maryland/DC Breeding Bird Atlas is a citizen science project mapping the distribution of breeding birds across Maryland and DC every 10-square miles. Naturalist Sue Muller gives an overview of the project and shows you how to help to collect data as we enter the third year of the study in 2022. Eagles and owls are the first birds of the nesting season. If weather permits, after the presentation the group takes a short walk to conduct an owl survey.

Three Frames for Shaping

Your Next Purpose

Many of us are feeling that the person we were before the pandemic has been changed forever, in both negative and positive ways. This workshop focuses on the three frames for discerning where you are currently and where you are meant to be in the next phase of your purposeful life, all based on the metaphor of location. Through carefully curated material from a variety of transitional-based coaching models, we reflect both internally and externally to help recognize what hurts, what brings joy, and where you are meant to be for the most exciting part of your life yet to come. This workshop is led by Laurie Reuben, professional certified coach and certified appreciative inquiry facilitator, and Alice Ford, ordained clergy in the United Methodist Church, professional certified coach, and conflict mediation specialist.

Build Your Engine Strength Training with Christy Edwards, ACE Personal Trainer

Time to get back in shape! Build the engine (muscles) that burns the fuel (the food you eat). Starting in our 30s, our metabolism begins to slow down as we naturally start to lose lean muscle mass. The rate of loss accelerates as we age, but we can rebuild muscle with strength training! Change your body composition, help stabilize your joints, improve flexibility, feel stronger, and feel great! In this class, you challenge, strengthen and stretch every muscle group in your body to achieve balance, energy, confidence, better mobility, and an increased metabolism. No strength training experience necessary, beginners welcome and encouraged! It's never too late to get stronger. Bring a mat, hand weights, and water.

SPORTS

Coaches' and Administrator's Registry

All children's sports coaches and administrators (volunteer or paid) are members of the Coaches' and Administrator's Registry. Membership requirements include:

- Annual National Criminal Background Screening
- American Sport Education Program certification
- Concussion and Cardiac Arrest awareness training
- Membership badge with photo and membership expiration date to be displayed by coach on field/court

League Refund Policy

Unless otherwise directed in the community sport program description, a 20% administrative fee is deducted for all refund requests more than four (4) weeks prior to league starting; a 50% refund if withdrawal requested more than two (2) weeks prior to league starting; no refunds are given less than two (2) weeks prior to the start of the league. Registration is accepted on a first-come, first-served basis up to the registration deadline listed in each league description. Additional teams may be accepted at the league commissioner's discretion. Special requests for youth leagues should be made at the time of registration, are not guaranteed, and are at the discretion of the department.

Aquatics

- Swimming lessons emphasize skills needed to be safe in an aquatic environment. All instructors have been trained at our facility and are knowledgeable about the programs we teach.
- Be sure to register your child for the appropriate level. If space allows, a participant may be moved to a lower or more advanced level at the discretion of the swim lesson coordinator.
- For multiple sessions, register your child in the same course for a minimum of two sessions. Children often require more than one session to master the skills needed to proceed to the next level.
- Parents and guardians are not permitted to assist child during the lesson, except for the parent-child or Therapeutic Recreation classes. Accompanying adult for children under 16 years must remain at the facility.
- Swimming diapers and/or rubber shorts must be worn.
- Please read Concussion & Sudden Cardiac Arrest info. Your family's review of this info is required by law before you're allowed to register for sports/swim programs.
- Registration/Info: 410-313-2764.

NEW! 55+ Pickleball Drop-In Play

Pickleball is a paddleball sport that combines elements of badminton, table tennis, and tennis. Two or four players use solid paddles made of wood or composite materials to hit a perforated polymer ball, much like a whiffle ball, with 26-40 round holes, over a net. The sport shares features of other racquet sports: the dimensions and layout of a badminton court, and a net and rules somewhat similar to tennis, with several modifications. Participants bring their own paddle and balls. Atholton Park has two courts lined and ready for pickleball play-proper nets, no set is required. Teams rotate play during this two-hour session. Field Trips & Robinson on the Road Outreach Programs

We offer year-round virtual and in-person field trip programming for all ages as well as outreach programming. Programs may be booked Wednesday-Sunday during our hours of operation. Please visit www.howardcountymd.gov/RobinsonNatureCenter under "For Instructors" for details on booking programs.

Rentals

Robinson has two classroom spaces, an auditorium, an outdoor patio space and the NatureSphere planetarium for birthday parties, meetings and special events. Wedding packages are available. Applicants must be at least 21.

General Information

Program information provided in this Guide is tentative. Consult www.howardcountymd.gov/rap for the most up-to-date information.

Registration

Program fees are established by determining the cost of supplies; fees for instructors, rentals, registrations and program administration; and the price of marketing in order to deliver high quality programs at an affordable price. See our "How to Register" section on page 5.

***Waiver:** In consideration of my (and/or my child's) participation in this activity, I hereby release and discharge the Organization, and its representatives, successors, and assigns, from any and all liability arising from accident, injury, and illness that I (he/she) may suffer as a result of my (our) participation in this activity. I (we) also will follow the rules and regulations set by the Organization and above named parties. Parent or guardian must sign for anyone age 18 and under. I do hereby grant and give these groups the right to use my or my child(s) photograph or image in conjunction with other persons or objects and presentations, advertising, publicity, and promotion relating thereto.

We reserve the right to cancel or postpone any program or activity due to inclement weather or low enrollment. A service fee will be imposed for all returned checks and could result in refusal of future participation. A service fee will be applied to all refunds and withdrawals with the exception of those due to program cancellation or medical/illness. There are no refunds for missed sessions. At a minimum, a 20% administrative fee applies to refund requests; additional fees may be deducted. At least two weeks advance notice is required to avoid additional charges. Summer Camps have a different refund policy and can be found in the current year brochure. See brochure or website for details about all refunds and policies.

Participation

Only individuals who are registered may participate. Where age or grade restrictions apply, "age" usually refers to the age of the participant at the start of the program and "grade" to current grade. If any other standards apply, they will be noted in the Guide. We reserve the right to question grade or age and may request a birth certificate or other proof of eligibility. For many programs, registrants or parents/legal guardians of minor registrants will be required to provide a signed Participant Information form at the first meeting. The purpose of this form is to ensure that participants willingly share responsibility for their own safety. All activities contain certain inherent risks that each participant assumes. Due to the strenuous nature of some activities, each participant is urged to consult his or her physician concerning his or her fitness to participate. Please note that many programs will require confirmation that immunizations are current.

A parent or legal guardian must accompany a child each day for both check-in and pick-up. It is your responsibility to sign your child in at the beginning of the program and sign your child out immediately following the program. Staff is not responsible for your child before or after scheduled activities. A fee may be assessed if your child is not picked up at the close of the program. Children must remain with the program for the full period scheduled. To leave before a day's program is complete, a child must have written parental consent or the parent/legal guardian must pick the child up after notifying the program director. No refunds will be issued for time missed for this or from dismissals resulting from disciplinary action.

In determining whether child is ready to participate in these activities, please be aware that our staff does not change diapers.

Filled Programs

Space is limited in most activities — early registration is advised. If a program is filled when we receive your registration, we will contact you; you may then cancel your application at no charge, select an alternate program or place your name on a waiting list. There is no fee to be placed on a waiting list.

Canceled Programs

We don't like to cancel programs, but each one must meet its minimum enrollment. Don't be disappointed — register early and bring a friend! An activity may also be canceled due to circumstances beyond our control, such as the unavailability of an instructor or location. If a program is canceled, registrants will be contacted immediately and a full refund credited.

Financial Assistance

The Howard County Department of Recreation & Parks can provide limited financial assistance to Howard County residents who qualify. In addition to a completed application, you must provide one of the following:

- Verification of qualifying household income with your 2020 Federal Tax Transcript and
- Any proof of assistance from the Department of Social Services.

Funds are limited and a deposit of 25% of the program fee is required at least one month prior to start date with the application/registration form. Call 410-313-4659 for additional information and guidelines.

Make a Donation

You can make a tax-deductible contribution to our Scholarship Fund by www.howardcountymd.gov or call 410-313-4683. You may also donate online through our online registration site (click on "donation" button).

Refunds

We recognize that you may wish to withdraw from a program for a variety of reasons, but we encourage early decisions so as not to inconvenience other participants or affect our ability to efficiently deliver activities.

Customers requesting a refund prior to two weeks before the program starts will be charged a 20% administrative fee, however if you request the credit to be placed on your Howard County Recreation and Parks account for future use, no administrative fee will be charged.

All refunds requested within three weeks of the program starting date will be charged at minimum a 20% administrative fee. Additional fees may be assessed to recover costs (e.g. for shirts, supplies, tickets, equipment etc.) associated with the program. There are no refunds given for missed program days. Trip refunds may reflect pre-paid admissions; but the option to transfer your ticket may be considered. Competitive sport program time-frame for refunds reflects planning time and team selections, check refund details on website.

Inclement Weather & Program Status Information

Check with your instructor about exceptions to the following circumstances and make-up dates for canceled sessions.

- If it rains, only some outdoor programs will be canceled.
- When it appears that lightning is a potential threat to participants, scheduled outdoor activities or activities in progress may be canceled.
- If there is inclement weather or an emergency plan is in effect in Howard County, scheduled programs will be canceled. Drop-in programs at Recreation & Parks facilities may run, call the facility inclement weather number, 410-313-4452.
- If schools are closed or dismissed early due to inclement weather, programs in schools will not be held.

Snack Policy

Many of our children's activities request that you supply a snack or lunch. Due to health concerns, nut products are not served or permitted.

Rules of Conduct

The following rules must be observed while participating in Recreation and Parks programs. Specific rules may be added for individual programs and needs.

- All tobacco products are prohibited in buildings, school property or County parks
- No food or beverages in unauthorized areas; glass containers are prohibited.
- No soliciting or loitering
- No interference with employee or volunteer duties
- No harassment, bullying, or inappropriate or indecent conduct, language, or clothing
- No unauthorized use of alcohol, drugs, intoxicants or weapons
- No parking in unauthorized areas or driving/parking on field areas
- No alteration or installation of equipment (such as basketball hoops, fences or lining)
- No defacing of property (indoors or outdoors)
- No conduct that may jeopardize the safety of others.

Accommodations for People with Disabilities

The Department of Recreation & Parks is a recognized leader in opportunities for individuals with disabilities and is pleased to comply with Americans with Disabilities Act (ADA) regulations.

Individuals with disabilities are encouraged to register for general recreation programs. With your registration, please include information regarding your disability and any accommodations needed.

We will make every effort to provide reasonable accommodations on an individual basis. Interpretive services are available for people who are deaf, hard of hearing or have speech disabilities. These and other accommodations can be provided to Howard County residents at no additional cost. To ensure the best experience for all participants, we need your accommodation request along with your registration a minimum of two weeks in advance of the first program date.

For transportation, contact HT Ride Paratransit Certification at 1-800-270-9553. For more information, contact Therapeutic Recreation Manager Susan Potts at 410-313-4628 or spotts@howardcountymd.gov.

Other Policies

Additionally, the Department reserves the right to

- Cancel a program for any reasonable cause;
- Deny registration or entry into a program when it deems necessary to assure public safety;
- Suspend a child from a program with no refund, after notifying a parent of disciplinary problems;
- Photograph programs, participants and volunteers for publicity purposes; and/or
- Adjust any program details printed in this brochure including fees, locations, instructors, times, days and starting dates.

Public Meetings

For information about Howard County Recreation & Parks Advisory Board meetings, call 410-313-4640. Your comments are welcome at these sessions. Park Board members are David Grabowski (Chair), Edward Coleman (Vice Chair), A. Raul Delorme (Recording Secretary), Antonia Watts (Board of Education), Thomas M. Franklin, Sylvia Ramsey, Herman Charity, Eduardo Marin (Student Member).

Full-time, Part-time, Contingent and Contractor Employment

For an up-to-date listing of jobs within the Department, as well as a listing of jobs within Howard County Government, visit www.howardcountymd.gov/careers-jobs

The Department of Recreation & Parks also needs dynamic leaders to develop and instruct programs such as art, crafts, cooking, dance, drama, language, music, science, sports or just plain fun! Do you have an interesting idea for a course or other program that could be offered to Howard County residents through the Recreation & Parks Department? We'd like to hear about it. For an informational letter, application and proposal form, visit www.howardcountymd.gov/rap and click on "Forms and Publications" or call 410-313-4639.

Volunteering

Volunteer opportunities are available in several areas including preschool and youth programs, sports, senior adult programs, natural resources, outdoor recreation and special events. If you'd like to share your time and talent, visit www.hocovolunteer.org to view opportunities and register.

Sponsorships

There are many opportunities to become involved in the activities of Howard County Recreation & Parks through sponsorships and advertising. Info: www.howardcountymd.gov/HCRPSponsors or Anna Hunter, 410-313-4686 or ahunter@howardcountymd.gov.
