**CELEBRATION OF  
OLDER PEOPLE WEEK  
HULL & EAST RIDING**

Beating Coronavirus by going online

# Welcome to the Events Programme

for Hull & East Riding Older People's Celebration Week

The 1st of October is UK Older Peoples Day and coincides with International Day of Older Persons. Get involved with UK Older People's Day and help celebrate the achievements and contributions that older people make to our society and tackle negative attitudes and outdated stereotypes and support issues that affect their lives on a day to day basis.

Once again, we have worked in partnership with the voluntary sector, community groups and other statutory and private organisations to put together and support a programme of fun activities, entertainment and information, but with a difference – the event will be delivered predominantly online this year to ensure that people are kept safe and social distancing measures are followed.

Older People's Partnership Hull and East Riding Charity have coordinated a week-long celebration. This will include a programme of interactive activities that you can sign up to take part in, entertainment being shared across the charities [Facebook](#) and [Twitter](#) account which will include contributions from our areas older people showcasing their talents on video.

We will also be using our social media accounts and the week to provide a platform for local and national organisations - which support the older people in the area to live a healthy and more independent life – to promote their services via virtual market place videos.

The Older People's Partnership Hull & East Riding hope as many people as possible access the programme this year, as we show that despite all that Coronavirus has thrown at us, we can still celebrate the contributions that older people are making to our local community and society.

So please join the celebrations and to build on the success of previous years events as we go virtual.

# Who are the Older People's Partnership Hull and East Riding?

## Older People's Partnership Hull & East Riding

The Older People's Partnership Hull and East Riding is a charity formed in 2017 who continue to be champions and a voice for older people in our region.

Working across Hull and East Yorkshire, this multi-agency partnership promote the needs of older people, coordinating and improving existing services in the region. They also help to find new, creative approaches to problems older people face in the community. This creativity is the driving force behind the Celebration of Older People Week, organised and run by the charity.

The 2020 Virtual event includes a broad programme of interactive activities that will allow older people to try new activities, learn about useful things that will help them live safer and healthier lives or just reminisce and talk with like-minded residents over a shared interest. While the pre-recorded entertainment available for all to enjoy and showcasing videos will highlight the positive impact creativity can have on the lives of older people.

### What do we offer?

- A Multi Agency Partnership aimed at promoting the needs of older people
- Assist in coordinating and improving existing services for older people
- Stimulate more creative approaches to problems and issues
- Develop a simple, yet effective, engagement and intervention strategy which has had considerable success
- Importantly, we offer a pool of knowledge around services for Older People which is accessible and beneficial to all participating bodies

### What we do?

- Meet on a Bi-monthly basis
- Share information and resources, identify gaps and maximise opportunities
- Offer peer advice and support
- Open access to all groups and services supporting older people in Hull and local East Riding villages
- Welcoming environment

# Hull and East Riding 55+ Showcase

Historically the charity has held a Hull and East Riding's Got Talent 55+ event, however due to the pandemic this will not be possible this year. We do however want to showcase older people talents across the area.

People who are aged 55+ are being asked to share videos that showcase their talents such as Dance, Comedy, Poetry, Musical, flower arranging, magician, how to play a ukulele, singing, wood work, model plane building, maintaining a cycle with the charity. Anything that you would class as a talent or a skill. Nothing will be turned away and all the videos received will then be featured on the Older Peoples Partnership Hull and East Riding Facebook page and Twitter accounts.

Anyone who has a skill, talent or interest they want to showcase should email their videos to

[celebration@olderpeoplespartnership.org.uk](mailto:celebration@olderpeoplespartnership.org.uk) via [mailbigfile.com](http://mailbigfile.com) by Friday 25th September.

If you have any questions about submitting a video please email
