

**The Rockfall Foundation
Environmental Champion Award
Nomination Form**

The Tom Odell Distinguished Service Award - given, as appropriate, to an organization or individual for outstanding on-going or long-term accomplishments in the area of environmental preservation, conservation, restoration or education.

The Certificate of Appreciation - given, as appropriate, to one or more organizations or individuals to recognize significant programs or projects in the area of environmental preservation, conservation, restoration or education.

Preservation: work to protect ecosystems, species, and other irreplaceable elements of the region's natural heritage.
Conservation: work to minimize our use of finite natural resources and our negative impacts on ecosystems and communities.
Restoration: work to re-establish the healthy functions of an ecosystem or parts of ecosystems.
Education: work to foster a stronger awareness and understanding of environmental and sustainability issues.
