

Take a Stand Against School Budget Cuts!

The mayor is cutting school budgets by \$215 million, yet he's sitting on billions of dollars in federal funds.

THIS IS UNACCEPTABLE!

Join the UFT on the steps of City Hall after school on Friday, June 24, to protest these harmful cuts that will cause excessing of staff, the loss of valuable school programs and increase class sizes to pre-pandemic levels.

Make signs and encourage your school community, including parents and students, to attend and make our voices heard.
