

Take the Next Step in Your Behavioral Health Career

William James College is the largest psychology educational institution in New England. Complete a BS in Psychology and Human Services with a minor in Behavioral Health, or Addictions Counseling. Or, if you're not ready to continue your education yet, get additional training through our Community Health Workers program.

WHAT WE KNOW

Representation matters. There is a shortage of highly trained, culturally competent mental health professionals to meet the needs of diverse populations, which is why our mission is to make mental health resources accessible to all individuals, children and families.

OUR PROGRAMS

BS in Psychology and Human Services Degree Completion Program

- Reduced tuition to increase access and affordability
- Guaranteed 30% tuition discount for BCC students
- Work-friendly program, with full-time (1.75 years) and part-time (2.75 years) options
- Blended format with both online and onsite classes
- A supportive learning environment with personal advising and mentoring from a scholar practitioner faculty

williamjames.edu/bsphs

Community Health Workers Training Program

- Open to pre-bachelor's level participants who are traditionally underrepresented in the behavioral health field
- Full-time, year-long field work experience at an agency serving children, adolescents, and transitional-aged youth in unserved and underserved communities
- Training, mentorship, career counseling, and professional development through William James College
- A paid annual salary, as well as a \$5000 stipend for living expenses

williamjames.edu/chw

Increase your career choices with education and hands-on experience in the behavioral health field.

- 21% of U.S. adults experienced mental illness in 2020.
- 16.5% of U.S. youth aged 6-17 experienced a mental health disorder in 2016.
